

was a lead up to when Attorney Richardson demanded:
 "It is true that you threatened Meyer with an exposure of the blowing up of the Independence depot unless he paid you \$50,000."
 "Yes," replied Orchard, guardedly.
 Quick as a flash, the lawyer then sprang the question:
 "Don't you know that Meyer was on the verge of being hanged May 23, 1916, for the murder of the man who started the country."
Last Day's Order.
 * This is expected to be the last day of Harry Orchard's cross-examination, and the final defense anticipates getting admissions from him that will tend to show that he had personal unity to Governor Mienzenberg and killed his victim out of revenge. Lawyer Richardson is persisting in his efforts to bring out evidence to definitely show of money he says he got from the governor.

S. BOSTON BLACKSMITH.
P. C. Rihagren, blacksmith, at 464 Fourth st. weakened his lungs and became all run down by breathing in the dust of his work. He coughed and spewed blood, and was so weak that he could not stand and could not walk. He was taken to the hospital and died. He was a strong and built him up. He should have taken care of his health.

TOKIO, Japan, Jan. 13.—The radical journals, which have been consistently exaggerating reports of ill-treatment of American prisoners of war, have turned their utmost to arouse public opinion against the American Republic, to-day print three pages of sensational news, and comments in San Francisco, consider with lurid descriptions of the suffering of the Japanese in California. The result has been a flood of letters from the editors of those papers, and the readers of those papers, commenting on the photographs, says:

"The Japanese are being treated as they call for prompt measures."

The Hoshi Shintom says:

"The Japanese are being pampered and the time for action arrived."

It should be stated that the Hoshi Shintom is a radical paper, and its editorial is a mere talkation.

But the attempts of the radical press, the great mass of the people remains unmoved.

When the war talk here comes from progressives, and it is recognized as a part of the propaganda of the present administration, the present ministry, if the progressives are to be believed, will be the last thing they will undertake.

GRANDPARENTS FRANTIC, HUNT STOLEN BABY

William MacPherson Declares
He Will Find McRay, Who
Kidnapped Own Daughter,
GRANDMOTHER IS NOW ILL

FRANKLIN, N. Y., June 12.—(Bright) With grief, Mr. and Mrs. William MacPherson of No. 27 Clinton Park street declare they will not rest until they recover their baby granddaughter, who was forcibly taken from their home yesterday by her father, William McRay, who escaped in a thrilling carriage chase.

A score of people saw four men, one being the father, take the child. While the companions escaped the attention of Mr. MacPherson and his wife, Mr. McRay seized the one-year-old daughter, rushed out of the house, and fled in a carriage. The father, who was seen by the neighbors, was seen to get into a carriage and drive away. The mother, who was seen by the neighbors, was seen to get into a carriage and drive away. The mother, who was seen by the neighbors, was seen to get into a carriage and drive away.

The baby is now, for Tomie added to care for it after she was gone. We made out an agreement and got McRay to sign it. He did and the child belongs to us. "If I had known what three men were after when they asked to see me alone, I might have got away without taking her with me."

Thrilling Story Chase.
Followed by the half-crazed wife at the time of the fight, MacPherson broke through the three men and pursued the fleeing carriage. Shouting, "Bring back my baby!" and "Stop the thief who has stolen our child," MacPherson and his wife were seen to get into a carriage and drive away.

PROBE DEATHS

A Friend in Need—Always with You.
WHEN you have Heartburn, Colic, Coated Tongue, Stomach Brul, Acid Rising in throat, Gas-belching, or an Intoxic Cold, take a Cascaret.

Remember, all these are merely Discomforts, but indications of a serious Cause.

Nip them in the bud—take a Candy Cascaret. Cascarets don't purge, nor punish the stomach like "Bile-driving" "Purgatives."

They act like Exercise on the Bowels. Muscles that propel Food, and that squeeze the natural Digestive Juices of the body into Food.

Cascarets ward off, or cure, the following diseases:

Constipation, Headache, Indigestion, Dizziness, Flatulency, Torpid Liver, Rheumatism, Colic, Worms, Piles, Biliousness.

In such cases a little Cascaret in time is worth fifty dollars worth of Treatment later on, to say nothing of the suffering, discomfort and loss of Business Energy.

Headaches, Heartburn, Gas-belching, Acid-erisings in the throat, and Colicky feelings are sure signs of bowels trouble from food poisons, and should be dealt with promptly.

One Cascaret will stop the coming trouble, and move the Bowels back, if taken at the first sign.

Don't fail to carry the Post Pocket Box of Cascarets with you constantly.

All druggists sell them—over ten millions boxes a year.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "COCO."

ROOSEVELT MAN WITH ROE TODAY

OVERSEAS, N. Y., June 12.—(Bright) An early today President Roosevelt will attend his place, evidently taking the greatest delight in finding how far his crops were behind, and in looking the gardeners over. He will be accompanied by his son, who is full of animal spirits and behaved like a frisky colt let out to pasture. He is joined with all the help on the place and petted the animals. Archie and Quentin were up as early as their father, and accompanied him in the trip to the stables and garden. The President in reply to a direct question put to him by a newspaper man today declares emphatically that he would not be a candidate for a third term. Today the President's party left New York for a thorough overhauling.

THE BEST \$3.50 SHOES FOR MEN

DO YOU WEAR W. L. DOUGLAS SHOES? IF NOT, I BELIEVE I CAN GIVE YOU GOOD AND SUFFICIENT REASONS WHY IT WILL PAY YOU TO WEAR THEM.

I give the wearer the benefit of my thorough and practical knowledge of shoeing, which has extended over fifty years.

I give the wearer the benefit of my exclusive method of tanning the bottom sole, which makes them more flexible and gives longer wear than any other sole leather produced in this country.

As to all the largest manufacturers of men's fine Hand-Sewed Process shoes in the world, it is necessary for me to purchase leathers and other materials in enormous quantities; the benefit of the very low prices I obtain I give to the wearer in superior quality over other makers.

If I could take you into my large factories at Brockton, Mass., and show you how carefully W. L. Douglas shoes are made, you would then understand why they hold their shape, fit better, wear longer and are of greater value than any other make.

W. L. Douglas, Brockton, Mass.:
For the past six years have been worn
W. L. Douglas \$3.50 shoes. They have given me more comfort, held their shape, and were better than \$5.00 or \$6.00 shoe which I have ever worn.

NOTES OF THE GAME.

So long, Naps. Come again when you are not batting so well.

Oberlin was all right except for the awful seventh. Eleven men went to bat and pounded out eight hits, including a double and a three-bagger.

Lajole tried a one-hand grand stand play

Knights struck out the first three times up.

A mass fainted in the bleachers and later there was a fight in the 50-cent pavilion. Three cops got busy on the fight.

It was a mighty big crowd for a week day.

Sullivan was back in the game again. He got in a single and a double.

Harry Bay looked natural playing center.

The Bostonians used thirteen men all told. Bradley refused to give O'Brien a chance, so the Naps had put the game on ice. Paine's home run was a very long one. It hit the extreme corner of the grounds. The ball hit the left field fence and bounced into the bleachers.

Nearly every hit made by Boston counted in the long run.

Maybe the Browns will be easy to outscore.
